

January 12, 1951.

Mr. William Terry
Program Director
Radio Station WDBS
Hanover, N.H.

Dear Bill:

Thanks for returning the press card. I hope you found it of some use.

We had a good deal on the fire about dramatic shows, using some of the best talent floating around here, but it is materializing very slowly. If anything breaks, we'll let you know.

We had made arrangements with Jim Leslie to carry an address by President Dodds of Princeton by tape, but Dodds wouldn't let the address get off campus. We couldn't even carry a story on what he said, which I understand wasn't much.

We are now doing a five program series on the draft, from nine to ten each night. I'd offer them to you on tape, except that they are pretty much Yale all the way through. The way we worked it was as follows:

1st	program--	Director of Manpower, Conn. Selective Service.
2nd	"	--Officers from Army and Air Force
3rd	"	-- " " Navy " Marines
4th	"	-- " " Army reserve, Nat'l Guard & information on Coast Guard.
5th	"	-- " " Director of Selective Service Office at Yale
		Professor who is an advisor to Gen'l. Hershey.

Part of this last broadcast might be of interest to you, but the rest would not be too good. As you know, the draft is a hot subject now, and this is a great time to build prestige by a good public service series.

Depending on the amount of time I have, I might be up for Carnival. Will let you know.

Cordially yours,

Howard Eaton, Jr.
Program Director
